

903 S3 30

Hydraulic & Transmission Oil

TECHNICAL DATA SHEET

Product Description:

Veedol 903 S3 30 is a premium quality hydraulic & transmission oil specially developed for earth moving machinery.

Veedol 903 S3 30 is formulated with premium quality base oils and selected performance additives to deliver robust hydraulic & transmission system performance and protection in variety of off-highway applications.

Features/Benefits:

- Possesses excellent anti-oxidant properties.
- Protection against mechanical wear.
- Outstanding rust and corrosion protection.
- Excellent thermal stability.
- Better sealing material compatibility.

Application:

Recommended for hydraulic and transmission systems of Earthmoving & other Off-highways equipment's.

Typical Properties:

Test Parameter	ASTM Test Method	Typical Values
Kinematic Viscosity, @ 100°C, cSt	ASTM D 445	11.4
Viscosity Index	ASTM D 2270	98
Flash Point (COC), °C	ASTM D 92	246
Pour Point, °C	ASTM D 97	-12

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
