

## Atline 68

*R&O type Hydraulic Fluid & Circulation Oil*

### TECHNICAL DATA SHEET

#### **Product Description:**

Veedol Atline 68 is high performance hydraulic fluid and circulation oil providing excellent anti-wear, anti-rust, anti-oxidation and anti-foam properties.

#### **Features/Benefits:**

- Very good oxidation and thermal stability
- Superior protection against rust and oxidation
- Excellent water separability

#### **Application:**

- Recommended for all hydraulic operations.
- Also recommended for general lubrication of industrial equipment bearing, line shafts and gears etc.

#### **Typical Properties:**

Test Parameter	ASTM Test Method	Typical Values
Kinematic Viscosity, @ 40°C, cSt	ASTM D 445	68.5
Viscosity Index	ASTM D 2270	99
Flash Point (COC), °C	ASTM D 92	236
Pour Point, °C	ASTM D 97	-9

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
