

Veedol BLUE BLOOD 10W-30

Synthetic Passenger Car Engine Oil

Product Description:

Veedol Blue Blood 10W-30 is special synthetic engine oil meticulously formulated to bring out the best performance of latest passenger cars.

Veedol Blue Blood 10W-30 is fortified with powergenes which ensure round-the-clock protection of all engine parts and keeps the engine cleaner making cars ride smoother & more powerful.

Application:

- Recommended for all new generation cars manufactured by Maruti Suzuki, Honda, Toyota, Skoda, Hyundai, Chevrolet, TATA Motors, BMW, VW, Fiat, etc.
- Suitable for cars using Petrol, Diesel LPG & CNG.

Features/Benefits:

- Outstanding oxidation stability gives complete protection under all operating conditions.
- Excellent low temperature property allows easy cold starting.
- Excellent wear protection.
- Better sludge control.

Typical Properties:

Test Parameters	Unit	ASTM Test Method	Typical results
Kinematic Viscosity @ 100°C	cSt	D 445	11.2
Viscosity Index		D 2270	144
Pour Point	°C	D 97	-36
Flash Point	°C	D 92	240

The above typical properties are those obtained with normal production tolerance and do not constitute a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.

STORAGE

All packages should be stored under cover. It should not be exposed to direct sunlight, intense cold and extreme temperature fluctuations. Where outside storage is unavoidable, drums should be laid horizontally or properly covered to avoid the possible ingress of water and damage to drum markings.

HEALTH, SAFETY AND ENVIRONMENT

The information on this product is available in the Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. If handled correctly, there are no special precautions suggested.
