

**LONG LIFE GREASE****LITHIUM BASED GREASE****DESCRIPTION**

Veedol Long Life Grease is a modified lithium soap based high temperature, water resistant grease. It is premium quality multipurpose grease of NLGI 3 consistency.

PERFORMANCE SPECIFICATIONS

Meets & exceeds the performance requirements of

- IS 12203 : 99 (Reaffirmed 2014)

APPLICATIONS

Recommended for all types of anti-friction bearing used in automobiles including heavy duty commercial vehicles.

FEATURES/BENEFITS

- Excellent thermal and structural stability.
- Provides high oxidation resistance.
- Offers complete protection to anti-friction bearing.
- Excellent water resistance.

CHARACTERISTICS

Test Parameter	Test Method	Typical Value
Appearance	–	Fluorescent Green
Texture	–	Medium Fibrous
Soap Type	–	Lithium
Worked Penetration, 60st @25°C	ASTM D 217	241
Drop Point, °C	ASTM D 2265	195
