

Alithex 10

Lithium based Grease

TECHNICAL DATA SHEET

Description:

Veedol Alithex 10 is a lithium based grease with extreme pressure additives having high load carrying properties, rust inhibition properties, oxidation stability and heat stability.

Performance Specifications:

Meets & exceeds the performance requirements of

- IS 7623 : 2019

Features/Benefits:

- Provides excellent load bearing capacity

Application:

- Recommended for heavy duty application in steel, rubber, cement, paper, mining, sugar and construction industries for sleeve as well as anti-friction bearings.
- Also recommended for heavy duty applications in construction and earthmoving machinery.

Typical Properties:

Test Parameters	Test Method	Typical Values
Colour	Visual	Brown
Texture	--	Smooth
NLGI Consistency	--	1
Soap type	--	Lithium
Worked Penetration, 60st @25°C	ASTM D 217	322
Drop Point, °C	ASTM D 2265	191

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
