

AP3 Supreme Red Grease

Lithium Based Grease

TECHNICAL DATA SHEET

Description:

Veedol AP3 Supreme Red Grease is a specially formulated lithium based multi-functional, high temperature, water resistant multipurpose grease.

Features/Benefits:

- Good thermal and structural stability
- Maintains mechanical stability even under severe operating conditions
- Provides excellent protection to bearings against wear

Application:

For wide applications in tractors, automotive vehicles and industrial equipment
Recommended for use in vehicles manufactured by Tata Motors, Ashok Leyland, Mahindra, Eicher, etc

Typical Properties:

Test Parameters	Test Method	Typical Values
NLGI consistency	--	3
Texture	--	Smooth
Colour	--	Red
Soap type	--	Lithium
Worked Penetration, 60st @25°C	ASTM D 217	242
Drop Point, °C	ASTM D 2265	195

The above typical properties are those obtained with normal production tolerance and do not constitute a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.

STORAGE:

All packages should be stored under cover. It should not be exposed to direct sunlight, intense cold and extreme temperature fluctuations. Where outside storage is unavoidable, drums should be laid horizontally or properly covered to avoid the possible ingress of water and damage to drum markings.

HEALTH AND SAFETY:

The information on this product is available in the Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. If handled correctly, there are no special precautions suggested.
