

Pump Set Oil 40

Agricultural Pump Set Engine Oil

PRODUCT DATA SHEET

Product Description:

Veedol Pump set oil 40 is a high performance agricultural pump set engine oil formulated with highly refined base oils and selected performance additives for diesel pump set application.

Features/Benefits:

- High viscosity index oil and additives offers excellent protection to engine components.
- Better protection against rust.

Application:

- Recommended for use in agricultural diesel pump sets.

Typical Properties:

Parameters	Test Method	Results
Kinematic Viscosity @ 100°C, cSt	ASTM D445	13.2
Viscosity Index	ASTM D2270	104
Flash Point (COC), °C	ASTM D92	240
Pour Point, °C	ASTM D97	-6

The above typical properties are those obtained with normal production tolerance and do not constitute a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.

STORAGE:

All packages should be stored under cover. It should not be exposed to direct sunlight, intense cold and extreme temperature fluctuations. Where outside storage is unavoidable, drums should be laid horizontally or properly covered to avoid the possible ingress of water and damage to drum markings.

HEALTH AND SAFETY:

The information on this product is available in the Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. If handled correctly, there are no special precautions suggested.
