

## Sprint 20W-40

Multigrade Engine Oil

### PRODUCT DATA SHEET

#### **Product Description:**

Veedol Sprint 20W-40 API CF/SF is a multigrade engine oil for 4-Stroke Diesel, Petrol, CNG & LPG vehicles. It is formulated with highly refined base oils and selected additives that provides adequate engine protection in all operating conditions.

#### **Performance Specifications:**

Meets & Exceeds the performance requirements of

- API CF/SF
- IS 13656 - 2019

#### **Features/Benefits:**

- High detergency keeps engine interior clean and well protected.
- Ensure adequate film thickness at all operating temperatures.
- Provides protection to the engines for longer life
- Good low temperature properties help in easy cold starting.

#### **Application:**

- Recommended for use in engines running on diesel, petrol, CNG & LPG operating under varying ambient conditions throughout the year
- Also suitable for 4-stroke vehicles running on petrol, CNG, LPG & diesel.

#### **Typical Properties:**

Test Parameter	ASTM Test Method	Typical Values
Density @ 29.5°C	ASTM D4052	0.881
Kinematic Viscosity @ 40°C, cSt	ASTM D445	126.4
Kinematic Viscosity, @ 100°C, cSt	ASTM D 445	14.5
Viscosity Index	ASTM D 2270	115
Flash Point (COC), °C	ASTM D 92	236
Pour Point, °C	ASTM D 97	- 24

The above typical properties are those obtained with normal production tolerance and do not constitute a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.

#### **STORAGE:**

All packages should be stored under cover. It should not be exposed to direct sunlight, intense cold and extreme temperature fluctuations. Where outside storage is unavoidable, drums should be laid horizontally or properly covered to avoid the possible ingress of water and damage to drum markings.

#### **HEALTH AND SAFETY:**

The information on this product is available in the Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. If handled correctly, there are no special precautions suggested.
