

Transgear Express 140

Gear and Transmission oil

TECHNICAL DATA SHEET

Product Description:

Veedol Transgear Express 140 is specially formulated automotive gear oil with excellent extreme pressure properties.

Veedol Transgear Express 140 is formulated with premium quality base oils and selected performance additives delivering excellent load carrying properties.

Performance Specifications:

Meets & exceeds the performance requirements of

- API GL-4
- IS:1118 - 1992

Features/Benefits:

- Possesses high load carrying capacity for continuous high speed and high torque service.
- Excellent oxidation and thermal stability

Application:

Recommended for differentials and gear boxes of trucks, buses, tractors, LCVs, MCVs and cars.

Typical Properties:

Test Parameter	ASTM Test Method	Typical Values
Kinematic Viscosity, @ 100°C, cSt	ASTM D 445	26.3
Viscosity Index	ASTM D 2270	95
Flash Point (COC), °C	ASTM D 92	254
Pour Point, °C	ASTM D 97	-6

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
