

# Wet Brake Premium

## Universal Tractor Transmission and Hydraulic Oil

### TECHNICAL DATA SHEET

#### Product Description:

Veedol Wet brake Premium is universal oil for transmission and hydraulic systems of tractors equipped with wet disc brakes.

Veedol Wet brake Premium is specially formulated with highly pure base oils & specially designed additives to perform effectively for tractors with wet disc brakes. Its strong additive system ensures noise free operation and protection to components in all operating conditions.

#### Performance Specifications:

Meets & Exceeds the performance requirements of

- AGCO Powerfluid 821XL
- API GL-4
- Allison C-4
- CASE MS 1207
- Case New Holland CNH MAT3505/ 3506/ 3509/ 3525
- Caterpillar TO-2,
- Fendt
- FNHA-2-C-200.00/ 201.00
- Ford ESN-M2C86-B/ 86-C
- John Deere JDM J20C/ J20D
- Massey Ferguson CMS M1135/ M1141/ M1143/ M1145
- Renault/ Claas (Renault transmission)
- Same Deutz Fahr (Same transmission)
- 

#### Features/Benefits:

- Reduces brake chatter noise.
- Provides brake material compatibility
- Improves brake pad cooling and water tolerance
- Higher oxidation stability and thermal resistance
- Excellent seal compatibility and has good anti foam properties
- Ensures longer transmission life.
- Protects hydraulic pump and enhances performance.

#### Application:

Recommended for use in various Indian and International tractor OEM's like M&M, Swaraj, HMT, Sonalika, TAFE, John Deere, Eicher, Massey Ferguson, Escorts, New Holland, Indo Farm, Force Motors Balwan, Farmtrac, Ford, New Holland and Same greaves tractors.

#### Typical Properties:

Test Parameter	ASTM Test Method	Typical Values
Kinematic Viscosity, @ 100°C, cSt	ASTM D 445	11.5
Viscosity Index	ASTM D 2270	110
Flash Point (COC), °C	ASTM D 92	230
Pour Point, °C	ASTM D 97	-21

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
