

TECHNICAL DATA SHEET

GUNK VEEDOL CAR WASH SHAMPOO

Product Description:

Gunk Veedol Car Wash Shampoo has a high performance washing and cleaning effect for use in foam generators (high-pressure devices) for non-contact washing and for manual contact car washing. It safely removes dirt, grimes, oils & greases with rich foam and effective cleaning without affecting the paint. Car Wash Shampoo is a concentrated liquid soap that develops heavy bodied, long-lasting suds to quickly remove dirt and road film from exterior automotive surfaces

Features & Benefits:

- Highly effective & Concentrated product
- Effectively removes dirt, grimes, oils & greases
- Produces long lasting subs and foam
- Safe for all surfaces including Coating and paints
- Very easy to rinse, fast drying and ensure gloss back easily
- Neutral pH in working solution
- Non-toxic and completely bio-degradable.
