

Liquid Wrench Veedol Pro Penetrant and Lubricant LT408TWO

TECHNICAL DATA SHEET

Product Description:

This Liquid Wrench Veedol Pro Penetrant & Lubricant, LT408 is an anti-seize formula delivers ultra-fast rust penetration and long-lasting lubrication. It tackles tough rust, grease or oil and is great for anywhere from under the hood to around the shop. It provides temporary corrosion protection.

Benefits:

- 1.Delivers ultra-fast rust penetration and long-lasting lubrication.
- 2.Industrial, anti-seize formula.
- 3.Engineered to break down stubborn built-up rust and cut through tough grease.
- 4.Prevents rust and corrosion.
- 5.Safe on metal, painted surfaces, plastic and rubber.

Directions for use:

Shake well. To loosen parts; spray liberally on rusted parts. Allow to soak. Tap or vibrate parts to help loosen – reapply and repeat process until parts come free. To lubricate; apply and allow to soak and then wipe off excess.

Application Area:

- 1.Nuts, bolts & locks
- 2.Outdoor power equipment
- 3.Hinges, metal pivot points & sliding mechanisms
- 4.Ignition & electrical wires
- 5.Fans & blowers
- 6.Pipe, pneumatic & hydraulic fittings
- 7.Electrical components (relays, circuits, controls, generators, transformers)
- 8.Heavy duty conveyor systems

Pack Sizes: 500 ml Aerosol tin

Storage, Handling and Disposal:

Do not expose to heat, sparks or open flames

Store in cool, dry area below 49 0C

Do not puncture, crush or incinerate can

Dispose off product, container and residue according to all local, state regulations

Dec 2025

Precautions:

FLAMMABLE, FIRE AND EXPLOSION HAZARD: Use only in a well-ventilated area away from heat, sparks, and flames. Do not place container in contact with hot surfaces, batteries or electrical current, because of risk of violent bursting and flash fire. Use added caution in confined areas such as basements and automobile compartments.

BREATHING & INGESTION HAZARDS: Inhaling concentrated vapors intentionally or otherwise may cause death without warning.

CONTACT HAZARD: Eye and skin irritant.
