

## Turbostar R 20W-50

*Specially Formulated Engine Oil for 3-Wheeler Petrol/CNG Vehicles*

### TECHNICAL DATA SHEET

#### **Product Description:**

Veedol Turbostar R 20W-50 is a high performance engine oil specially designed to address the operational severity and engine durability of 4-stroke engines found in 3-wheelers running on petrol and Compressed Natural Gas (CNG) fuel.

#### **Performance Specifications:**

Meets & exceeds the performance requirement of

- API SM

#### **Features/Benefits:**

- Keeps engine component protected and power maintained through anti-wear formula
- Cushions against engine vibrations to deliver a smooth ride due to its high VI
- High film thickness for better load carrying capacity and city start-stop engine conditions

#### **Application:**

Recommended for all 3-Wheeler Petrol/CNG Vehicles

#### **Typical Properties:**

Test Parameter	Test Method	Typical Values
Kinematic Viscosity, @ 100°C, cSt	ASTM D 445	18.3
Viscosity Index	ASTM D 2270	133
Flash Point (COC), °C	ASTM D 92	244
Pour Point, °C	ASTM D 97	-24
CCS Viscosity @-15°C, mPa.s	ASTM D 5293	8400

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
