PRIMA SHAKTI 15W-40 API CI-4 PLUS

TOP-TIER DIESEL ENGINE OIL FOR TURBO CHARGED TRACTORS

DESCRIPTION

Veedol Prima Shakti 15W-40 is premium diesel engine oil specially formulated with superior quality base oils and latest additive system designed for heavy duty application of new generation turbo charged tractors.

Veedol Prima Shakti 15W-40 delivers highest performance to the tractors operating under hostile environment and keeps them protected over longer service life.

Veedol Prima Shakti 15W-40 meets and exceeds performance specifications of API CI-4 Plus with many diesel engine OEM performance requirements.

PERFORMANCE SPECIFICATIONS

Meets & Exceeds the performance requirements of

- API CI-4 Plus

APPLICATIONS

Recommended for heavy duty turbocharged diesel engines used in tractors and agricultural machines.

FEATURES/BENEFITS

- Excellent soot handling capacity.
- Maximum protection of all engine components against rust and corrosion.
- High oxidation and thermal stability for extended oil life.
- Ensures engine durability under adverse conditions that may stress wear control.
- Reduces maintenance costs and downtime, extends engine life.

CHARACTERISTICS

Test Parameter	Test Method	Typical Value
Kinematic Viscosity @ 100°C, cSt	ASTM D 445	14.5
Viscosity Index	ASTM D 2270	150
Flash Point, (COC) °C	ASTM D 92	240
Pour Point, °C	ASTM D 97	-33
CCS Viscosity @ -20°C, mPa.s	ASTM D 5293	5500
