

Tractol 20W-40

Heavy Duty diesel Engine oil

TECHNICAL DATA SHEET

Product Description:

Veedol Tractol 20W-40 is a heavy duty multi-grade engine oil formulated with high quality base oils fortified with selected additive package to provide protection and excellent performance under varying operating conditions.

Veedol Tractol 20W-40 is specially designed for all tractors including older tractors working under hostile field conditions.

Performance Specifications:

Meets & Exceeds the performance requirements of

- API CF-4
- IS 13656: 2014 EDL 4

Features/Benefits:

- Possesses improved lubricant film strength for heavy load.
- Reduces wear and ensures longer engine life.
- Excellent thermal and oxidation stability
- Cleans carbon deposit to improve engine performance.

Application:

Recommended for use in engine of all types of tractors including older tractors.

Typical Properties:

Test Parameter	ASTM Test Method	Typical Values
Kinematic Viscosity, @ 100°C, cSt	ASTM D 445	14.5
Viscosity Index	ASTM D 2270	115
Flash Point (COC), °C	ASTM D 92	240
Pour Point, °C	ASTM D 97	- 27
CCS Viscosity @ -15°C, mPa.s	ASTM D 5293	8800

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
