

Transgear C4 Transmission Oil

TECHNICAL DATA SHEET

Product Description:

Veedol Transgear C4 oils are Allison C-4 type hydraulic transmission fluids approved and listed by Allison Transmission, division of General Motors, USA

Performance Specifications:

Meets & exceeds the performance requirements of

- Allison C-4
- ALLISON TES-439

Features/Benefits:

- Excellent oxidation stability
- Good friction retention properties with anti-wear properties

Application:

Recommended for use in all commercial power shift transmissions, industrial torque converters and automatic transmissions requiring a product approved by Allison.

Typical Properties:

Test Parameters	Test Method	Typical Values	
		Transgear C4 SAE 10W	Transgear C4 SAE 30
Kinematic Viscosity, @ 100°C, cSt	ASTM D 445	6.1	11.0
Viscosity Index	ASTM D 2270	107	102
Flash Point (COC), °C	ASTM D 92	218	238
Pour Point, °C	ASTM D 97	-33	-24

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
