

Powertron 15W-40 CH-4
Premium Diesel Engine Oil
Synthetic Blend

PRODUCT DATA SHEET

Product Description:

Veedol Powertron 15W-40 is premium quality synthetic blend diesel engine oil with advanced engine care technology specially developed for high performance Cars and SUVs.
Veedol Powertron 15W-40 is formulated with the latest technology additive system, providing highest level of engine protection.

Performance Specifications:

Meets & exceeds the performance requirement of

- **API CH-4**

Features/Benefits:

- Excellent protection against the build-up of piston deposits.
- Outstanding wear protection in all operating conditions.
- Exceptional oxidation stability protects against the formation of gums and varnish at elevated temperatures.
- Optimizes engine performance.
- Helps to achieve longer drain intervals and also keeps top-up requirements to a minimum.
- Excellent corrosion protection for reduced maintenance cost and longer engine life.

Application:

- Recommended for use in diesel engine of high performance Passenger Cars and SUVs requiring API CH-4 specification oil.

Typical Properties:

Parameters	Test Method	Results
Density @ 29.5°C	ASTM D4052	0.864
Kinematic Viscosity @ 40°C, cSt	ASTM D445	109.9
Kinematic Viscosity @ 100°C, cSt	ASTM D445	14.74
Viscosity Index	ASTM D2270	138
Flash Point (COC), °C	ASTM D92	238
Pour Point, °C	ASTM D97	-27
Total Base Number, mg KOH/g	ASTM D2896	8.35

The above typical properties are those obtained with normal production tolerance and do not constitute a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.

STORAGE:
All packages should be stored under cover. It should not be exposed to direct sunlight, intense cold and extreme temperature fluctuations. Where outside storage is unavoidable, drums should be laid horizontally or properly covered to avoid the possible ingress of water and damage to drum markings.

HEALTH AND SAFETY:
The information on this product is available in the Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. If handled correctly, there are no special precautions suggested.
